

AT A GLANCE 2019

A MESSAGE FROM LOGIX

Dear Members,

As Logix Federal Credit Union moves into this next decade, we are doing so with a lot of pride, as our membership continues to grow in the best ways year over year.

You've been telling your family and friends about us, and they continue to open accounts – checking, savings, and more, as well as taking advantage of home, auto loans and credit cards. We truly care about everyone who walks through our doors. And, we care about the communities we serve; that's why we continue to give back through our Logix Community Stars Foundation.

In 2018, we reported that we raised more than \$1 million through the foundation since 2007. In 2019, we're excited to share we've brought in \$179,397 from members, employees and the credit union. The funds that are shared by our staff come from our employee giving program, whereby staff contributes money via payroll deduction, and the credit union provides some matching funds.

We're grateful for our members' participation, as they continue to give via our website, www.custars.org, and in our branches.

We continue to host Volunteer Time Off, through which staff can volunteer up to eight hours per year, with company paid time off. Throughout the year, Logix employees organize these opportunities to support Community Stars' nonprofit partners.

Community Stars distributes all donated funds to local grassroots nonprofits, so the money stays in areas where Logix employees live and work. The credit union and the foundation are dedicated to being good corporate citizens and giving back to the communities we serve.

We're fortunate to work with these charities, based on strong values that align with ours, and their ability to make a significant difference in the lives of those who need our help. Many thanks to you for your part in making the Logix Community Stars Foundation a success. I look forward to another terrific year for the foundation and the credit union.

Many thanks for your continued support.

Sincerely,

Ana Fonseca
President & CEO

LOGIX COMMUNITY STARS BOARD OF DIRECTORS-2019

Logix Community Stars Foundation was started in an effort to directly impact the areas we serve. We support four worthy nonprofit organizations, each of which receives 25 percent of the dollars brought in by staff and the credit union each year.

ABOUT OUR CHARITY PARTNERS

For The Troops

For The Troops sends care packages to U.S. front-line troops and those stationed around the world. The organization's mission is to deliver a piece of home to soldiers overseas. These packages contain such things as snack items, DVDs, CDs, batteries, personal care items and notes from family and friends.

www.forthetroops.org

Penny Lane Centers

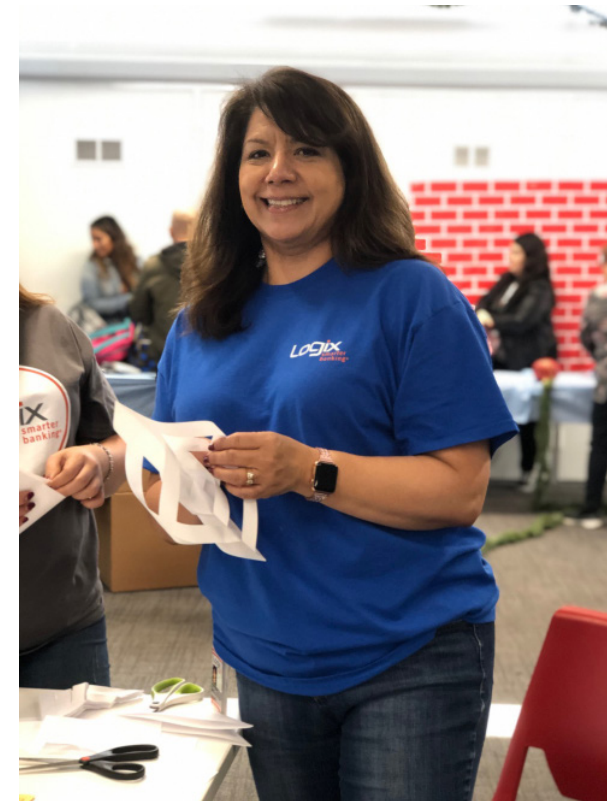

Penny Lane Centers fosters hopes and dreams by empowering youth and families to reach their highest potential. The organization's services include residential treatment, foster care, adoption services, transitional housing for emancipated foster youth and more.

www.pennylane.org

VOLUNTEER TIME OFF

Logix Federal Credit Union gives its employees the opportunity to receive paid time off to volunteer in the community. Through this Volunteer Time Off Program, employees can participate in an organized event or group activity that supports the community or one of our charity partners.

MISSION, VISION & VALUES

MISSION

To inspire Logix Federal Credit Union employees, members and friends to support local charities through monetary contributions and volunteerism.

VISION

To make a positive impact on the communities Logix Federal Credit Union serves.

VALUES

Communication
Accountability
Teamwork
Fun
Integrity
Service-Orientation
Humility

HOW YOU CAN HELP

- Visit www.custars.org to donate today.
- Look for opportunities to contribute in Logix branches.
- Follow the Logix social media accounts to see foundation-related posts.
- Add Logix Community Stars as the charity of choice to your Amazon Smiles account. Each time you make a purchase, Amazon will donate 5% of your total to Community Stars.

BY THE NUMBERS

Contributions Program

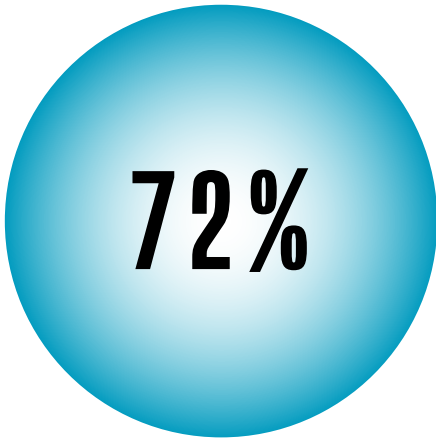

Nearly 75% of all Logix employees opt to enroll in a program to make voluntary contributions to Community Stars and its nonprofit partners through payroll deductions. Additionally, many sign up for Amazon Smile, with Community Stars as their chosen charity to receive a percentage of each purchase they make from the online retailer.

Matching dollars

Each year, Logix Federal Credit Union offers a percentage of matching dollars to Community Stars to demonstrate its support. In addition, Logix covers all of the overhead costs that come with running the foundation. With this level of support, Community Stars has seen continued growth year after year.

Fundraisers

Logix Community Stars offers several fundraisers throughout the year, such as a toy drive, and including a new special release pin each fall with proceeds benefitting a different charity that cares for cancer patients.

NOTES OF GRATITUDE

Burbank Temporary Aid Center

"When we met staff from Logix in 2007, we didn't know how long and successful our relationship would be. We are fortunate to have connected with such a generous company. The staff truly cares about the community and the clients we serve. I have had the pleasure of seeing them at our fundraisers and receiving their support by way of volunteerism, too. They have welcomed Burbank Temporary Aid Center to their family. We are forever grateful for your dedication to helping us make a difference."

-Barbara Howell,
President and CEO
Burbank Temporary Aid Center

Circle of Hope

"Through the generosity of Logix and their employees, underserved individuals with cancer in our community receive assistance. This support is in the form of paying for their treatments along with emotional and supportive therapies at our wellness center, Hope's Haven. We are very grateful to have Logix as a community partner who recognizes the need to provide assistance to those who would otherwise be unable to receive help. Many thanks!"

-Laura Kirchhoff,
Executive Director
Circle of Hope

For The Troops

"For The Troops' board and volunteers are grateful to Logix Community Stars for its generosity. Since 2009, we have received more than \$300,000 from Logix' employee donations and matching funds. They have held drives for package items, such as cotton swabs, candy and socks. The monetary gifts are used for shipping, as we send worldwide to our brave troops in Afghanistan, Iraq, Syria and other austere locations. At \$13.20 postage for each box we send, that's a whole bunch of smiles! Logix continues to be our No. 1 supporter. Our very heartfelt thanks goes to all of you."

-Paula Cornell,
President and Co-Founder
For The Troops

Penny Lane Centers

"Penny Lane Centers welcomes several children to its doors every year. To take care of each of them, attending to their needs, wants and dreams, we rely on partners like Logix. Annually, they volunteer with us, and they host a summer toy drive. We have been able to put toys in storage, with the plan to deliver the gifts in December. We are fortunate because as we get closer to the holiday season, it gets very busy. We are able to give each child what he or she has been looking forward to nearly all year long. We love Logix and the employees. Your hearts are so big – we appreciate your thoughtfulness and generosity."

-Nydia Barakat,
Fund Development Director
Penny Lane Centers
